Orsu Metals to Issue Shares for Services

Orsu Metals Corporation (TSX-V: OSU) (“Orsu” or the “Company”) reports that it has reached agreement with its directors, officers and a consulting advisor that each director, officer or consulting advisor may elect to be paid up to 100% of their annual fees (“Fees”) in common shares of the Company, subject to the approval of the TSX Venture Exchange (the “Exchange”). The Company will settle the total amount accrued at the end of the calendar year by the issue of shares to be priced at the closing price on the last day of each year.

Of these 354,089 shares will be issued upon receipt of Exchange approval and the remaining 168,282 will remain subject to shareholder approval at the Company’s next annual general meeting as the issue of the shares will create a change of control for one director.
