MANAGEMENT INFORMATION CIRCULAR AS AT MAY 24, 2019

SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY THE MANAGEMENT OF ORSU METALS CORPORATION (THE “CORPORATION” OR “ORSU METALS”) FOR USE AT THE ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS OF THE CORPORATION (THE “MEETING”) (AND ANY ADJOURNMENT OR POSTPONEMENT THEREOF) TO BE HELD ON JUNE 28, 2019, AT THE TIME AND PLACE AND FOR THE PURPOSES SET FORTH IN THE ACCOMPANYING NOTICE OF MEETING. While it is expected that such solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the regular employees of the Corporation at nominal cost. All costs of solicitation by management will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The individuals named in the accompanying form of proxy are directors and officers of the Corporation. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM, HER OR IT AT THE MEETING HAS THE RIGHT TO DO SO BY INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER FORM OF PROXY.** A shareholder wishing to be represented by proxy at the Meeting or any adjournment or postponement thereof, must, in all cases, deposit the completed proxy with the Corporation’s registrar and transfer agent, Computershare Investor Services Inc., 100 University Avenue, 8th floor, Toronto, Ontario, Canada M5J 2Y1, facsimile: within North America (866) 249-7775 and outside North America (416) 263-9524 not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment or postponement thereof. The time limit for deposit of proxies may be waived or extended by the Chairman of the Meeting at his discretion without notice.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his, her or its attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered to the Corporation’s registrar and transfer agent, Computershare Investor Services Inc., 100 University Avenue, 8th floor, Toronto, Ontario, Canada M5J 2Y1, facsimile: within North America (866) 249-7775 and outside North America (416) 263-9524 or the corporate office of the Corporation at 15782 Marine Drive, Unit 1, White Rock, B.C. V4B 1E6 at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

EXERCISE OF DISCRETION BY PROXIES

The shares represented by proxies in favour of management nominees will be voted for or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and, if a shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the shares represented by the proxy shall be voted accordingly. **WHERE NO CHOICE IS SPECIFIED, THE PROXY WILL CONFER DISCRETIONARY AUTHORITY AND WILL BE VOTED FOR THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS DESCRIBED IN THIS INFORMATION CIRCULAR. THE ENCLOSED FORM OF PROXY ALSO CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN TO VOTE WITH RESPECT TO ANY AMENDMENTS OR VARIATIONS TO THE MATTERS IDENTIFIED IN THE NOTICE OF MEETING ACCOMPANYING THIS INFORMATION CIRCULAR AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING IN SUCH MANNER AS SUCH NOMINEE IN HIS, HER OR ITS JUDGMENT MAY DETERMINE.** At the time of printing this Information Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

NON-REGISTERED SHAREHOLDERS

Only registered holders of common shares of the Corporation (each, a “**Common Share**”) or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a “**Non-Registered Holder**”) are registered either: (i) in the name of an intermediary (an “**Intermediary**”) with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Corporation will have distributed copies of this Information Circular and the accompanying Notice of Meeting and form of proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to certain Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to such Non-Registered Holders and the Non-Registered Holders will be given, in substitution for the proxy otherwise provided with the Meeting Materials, a request for voting instructions (the “**voting instructions form**”) which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary, will constitute voting instructions which the Intermediary must follow. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own.

Should a Non-Registered Holder who receives the voting instructions form or other proxy wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should so indicate in the place provided for that purpose on such document. Where applicable, a form of legal proxy will be sent to the Non-Registered Holder. In any event, Non-Registered Holders should carefully follow the instructions set out in the voting instructions form or other proxy.

This Information Circular and accompanying securityholder materials are being sent to both registered owners of Common Shares and Non-Registered Holders. If you are a Non-Registered Holder, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding Common Shares on your behalf.

By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the voting instructions form or other proxy.

The Meeting Materials are not being sent to registered or beneficial owners using the Notice and Access procedures contained in NI 54-101. The Corporation is sending the Meeting Materials directly to non-objecting beneficial holders (as defined in NI 54-101). The Corporation will not pay for intermediaries to deliver the Meeting Materials to objecting beneficial holders (as defined in NI 54-101) and objecting beneficial holders will not receive the Meeting Materials unless their intermediary assumes the cost of delivery.

Each shareholder is entitled to one vote for each Common Share registered in his, her or its name on the list of shareholders, which is available for inspection during normal business hours at Computershare Investor Services Inc. at the address listed above and will also be available at the Meeting. All matters to be voted upon at the Meeting must be approved by a resolution passed by the shareholders.

BUSINESS TO BE CONSIDERED AT THE MEETING

All references to \$ mean US dollars.

ITEM 1 - FINANCIAL STATEMENTS

The Corporation's consolidated financial statements for the financial year ended December 31, 2018 and the report of the auditors thereon will be submitted to the Meeting. Receipt at the Meeting of the auditors' report and the Corporation's consolidated financial statements for the financial year ended December 31, 2018 will not constitute approval or disapproval of any matters referred to therein.

ITEM 2 - APPOINTMENT OF THE AUDITOR

Davidson & Company LLP has served as auditor of the Corporation since July 31, 2017.

At the Meeting, shareholders of the Corporation will be requested to re-appoint Davidson & Company LLP as the Corporation's auditor to hold office for the ensuing year at remuneration to be fixed by the board of directors (the "**Board**") of the Corporation.

THE PERSONS NAMED IN THE FORM OF PROXY WHICH ACCOMPANYS THIS INFORMATION CIRCULAR INTEND TO VOTE FOR THE APPOINTMENT OF DAVIDSON & COMPANY LLP AS THE AUDITOR OF THE CORPORATION TO HOLD OFFICE UNTIL ITS SUCCESSOR IS APPOINTED AND TO AUTHORIZE THE BOARD TO FIX THE REMUNERATION OF THE AUDITOR UNLESS IT HAS BEEN SPECIFIED IN THE FORM OF PROXY THAT THE COMMON SHARES REPRESENTED BY SUCH FORM ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF.

ITEM 3 - ELECTION OF DIRECTORS

The Articles of Association of the Corporation provide that the Board must consist of a minimum of three (3) and a maximum of fifteen (15) directors. Each of the members of the Board shall be elected by the shareholders of the Corporation for such term as the shareholders shall determine, including on an annual basis, but a director's term of office shall not exceed the close of the third annual meeting following their election. The term of office of each of the present directors was for one year and therefore, the terms of such directors will expire at the close of the Meeting. It is intended that five (5) directors will be elected at the Meeting for the ensuing year.

The incumbent directors named below will be presented for election at the Meeting as management's nominees and the persons named in the accompanying form of proxy intend to vote for the election of these nominees. Each director elected will hold office until the next annual meeting of the Corporation, unless his office is earlier vacated in accordance with the Articles of Association of the Corporation and the provisions of the *BVI Business Companies Act 2004*, as amended (British Virgin Islands) (the "**Act**").

On May 19, 2015, the Board unanimously adopted a majority voting policy for the election of directors at uncontested meetings of shareholders of the Corporation (the "**Majority Voting Policy**") which provides that a director must promptly tender his or her resignation (a "**Resignation Tender**") if the number of Common Shares voted 'FOR' is equal to or less than the number of Common Shares voted 'WITHHELD' for his or her election at a meeting of shareholders of the Corporation. A Resignation Tender will become effective upon acceptance by the Board. Upon receipt of a Resignation Tender, the Governance and Nominating Committee or such other committee to which the responsibility of administering the Majority Voting Policy has been delegated (the "**MVP Committee**") will consider the Resignation Tender and will recommend to the Board whether or not to accept or reject the Resignation Tender. Following the recommendation of the MVP Committee, the Board will be required to determine whether to accept or reject the Resignation Tender, not later than the 90th day immediately succeeding the date of the relevant meeting of shareholders. The Board will generally be expected to accept the Resignation Tender absent exceptional circumstances. The Board's decision will be promptly disclosed in a news release issued by the Corporation (which will include the Board's reasons for rejecting a Resignation Tender, if applicable). The full text of the Majority Voting Policy is available on the Corporation's website at www.orsumetals.com.

The Board also has an individual voting policy pursuant to which shareholders can vote their Common Shares in respect of each nominee individually rather than being required to vote in the same manner for all of the nominees together as a slate. If, at the Meeting, the number of nominees for election as directors exceeds the number fixed for such election, the five persons with the most ‘FOR’ votes will be elected. If the number of persons nominated for election as directors at the Meeting is the same as or less than the number of directors fixed, then the persons nominated will be elected as directors, subject to the provisions of the Majority Voting Policy set out above.

In considering director nominees, management and the Board seek to ensure that the Board is composed of members whose particular experience, qualifications, attributes and skills, when taken together, will allow the Board to satisfy its oversight obligations effectively.

The following table and notes thereto state the names of all persons proposed to be nominated by management for election as directors of the Corporation (each, a “**proposed director**”), their residence, all offices of the Corporation now held by them, their principal occupations or employments, the period of service as directors of the Corporation, the number of Common Shares beneficially owned, controlled or directed, directly or indirectly, by each of them as at the date hereof, and their present status on any committees of the Board.

Corporate Cease Trade Orders

No proposed director of the Corporation is, or has been within the ten years before the date hereof, a director, chief executive officer or chief financial officer of any company (including the Corporation) that, while that person was acting in that capacity, was subject to:

- (a) a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation for a period of more than 30 consecutive days; or

- (b) an event that resulted, after the proposed director ceased to be a director, chief executive officer or chief financial officer, in the relevant company being the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation for a period of more than 30 consecutive days.

Penalties or Sanctions

No proposed director of the Corporation has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or

Bankruptcies

No proposed director of the Corporation:

- (a) is, as at the date hereof, or has been within the 10 years before the date hereof, a director or executive officer of any company (including the Corporation) that, while such person was acting in that capacity, or within a year of such person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets; or

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE ELECTION OF EACH OF THE ABOVE-NAMED PROPOSED DIRECTORS UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. MANAGEMENT HAS NO REASON TO BELIEVE THAT ANY OF THE PROPOSED DIRECTORS WILL BE UNABLE TO SERVE AS A DIRECTOR BUT, IF A PROPOSED DIRECTOR IS FOR ANY REASON UNABLE TO SERVE AS A DIRECTOR OF THE CORPORATION, PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE REMAINING PROPOSED DIRECTORS AND MAY BE VOTED FOR A SUBSTITUTE NOMINEE UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT OF THE ELECTION OF ONE OR MORE DIRECTORS.

ITEM 4 - APPROVAL OF THE RENEWAL OF THE STOCK OPTION PLAN

The Board wishes to have the shareholders approve the renewal of the stock option plan (the “**Option Plan**”) pursuant to which the Corporation may grant incentive stock options to directors, officers, employees, and consultants of the Corporation or any of its affiliates (“**Eligible Persons**”). In accordance with the rules and policies of the TSX Venture Exchange (the “**TSX-V**”), shareholders must each year approve the Option Plan. The policies require that a stock option plan must specify a maximum number of shares issuable under it, which number can later be increased to a higher specified number only if authorized by the shareholders and accepted by the TSX-V.

The Option Plan permits the granting of options of up to 10% of the common shares of the Corporation issued and outstanding at the date of grant.

The Board is of the view that it is in the best interests of the Corporation to approve the renewal of the Option Plan, which will enable the Board to grant options to Eligible Persons as a means of rewarding positive performance and providing incentive to attract and retain personnel to effectively manage the affairs of the Corporation.

To summarize, the renewal of the Option Plan authorizes the Board to grant stock options to the Eligible Persons on the following terms:

1. The number of shares subject to each option is determined by the Board provided that the Option Plan, together with all other previously established or proposed share compensation arrangements may not, during any 12-month period, result in:

- (a) the issuance of stock options to any one person, within that period, of a number of shares exceeding 5% of the issued shares of the Corporation;
 - (b) the issuance, within that period, to insiders of the Corporation of a number of shares exceeding 10%, or to one insider of a number exceeding 5%, or to a consultant of a number exceeding 2%; the aggregate number of shares granted to all eligible recipients employed to provide investor relations activities (as defined by the TSX-V) must not exceed 2% of the issued shares of the Corporation.
2. The aggregate number of shares which may be issued pursuant to options granted under the Option Plan, inclusive of options granted and outstanding under the previous stock option plan, may not exceed 10% of the issued and outstanding shares of the Corporation as at the date of the grant (after giving effect to the amendment described above).
 3. The exercise price of options must be determined by the Board in compliance with applicable stock exchange policies.
 4. The Option Plan provides that options are exercisable for ten years unless the Board provides for another exercise period when the options are granted in compliance with applicable stock exchange policies.
 5. Options granted under the Option Plan are non-assignable and non-transferable. The options can only be exercised by the option holder as long as the option holder remains an Eligible Person pursuant to the Option Plan or within a period of not more than 90 days (30 days for providers of investor relations services) after ceasing to be an Eligible Person or, if the option holder dies or can no longer serve the Corporation due to disability, within the earlier of (a) a period following such death or disability equal to the period of such option holder's service to the Corporation, and (b) 365 days from the date of the optionee's death or disability.
 6. The options granted pursuant to the Option Plan will be vested on a basis to be determined by the Board and may be vested immediately upon granting.
 7. Options issued to eligible persons performing investor relations activities must vest in stages that are 12 months with no more than one-quarter of the options vesting in any three-month period.
 8. On the occurrence of certain "substitution events" (including certain reorganizations, amalgamations, mergers or business combinations and takeover bids), all outstanding options will vest.
 9. The Option Plan provides that the options of a deceased option holder expire on the earlier of (a) a period equal to the period the deceased option holder served the Corporation and (b) 365 days following death.
 10. The Option Plan treats options held by employees who are no longer able to serve the Corporation due to disability the same way as options held by deceased option holders.
 11. The Option Plan provides that if a consultant holding options becomes another kind of Eligible Person at the termination of a consulting contract - (e.g. if a consultant is hired as an employee), he or she will continue to hold the options granted when a consultant. Similarly, if an Eligible Person who is not a consultant becomes a consultant, he or she will continue to hold the options granted to him or her prior to becoming a consultant.
 12. The Board has the discretion (subject to applicable stock exchange rules) to extend the expiry dates of options granted to consultants following the termination of a consulting agreement in the same way it can extend the expiry dates of options granted to other option holders following termination of service to the Corporation.

Recommendation

The Corporation is of the view that the renewal of the Option Plan provides the Corporation with the flexibility necessary to attract and maintain the services of senior management and other employees in competition with other companies in the mineral resource industry. A copy of the Option Plan will be available for inspection at the Meeting. A Shareholder may also obtain a copy of the Option Plan by contacting the Corporation at 604-536-2711. The Board shall also have the authority to amend the Option Plan to reduce the benefits to its participants if in their discretion it is necessary or advisable in order to obtain any necessary regulatory approvals.

Shareholder Approval

The Corporation is asking its Shareholders to vote affirmatively on the following ordinary resolution to adopt and approve the renewal of the Option Plan (the "**Option Plan Resolution**"):

"BE IT RESOLVED THAT, subject to regulatory approval, the renewal of the Option Plan authorizing the directors to grant options on shares totalling up to a maximum of 10% of the Corporation's common shares issued and outstanding from time to time, as at the date of the relevant grant, be and it is hereby approved, together with all options granted thereunder as at the date

hereof, and that the Board of Directors be and they are hereby authorized, without further shareholder approval, to carry out the intent of this resolution.”

If this resolution is approved by Shareholders, it is expected that the Board will in due course grant further options under the Option Plan as the Board deems fit in light of the overall compensation program and the relative efforts and contributions of the eligible participants under the Option Plan.

THE BOARD OF DIRECTORS RECOMMEND THAT SHAREHOLDERS VOTE FOR THE RENEWAL OF THE OPTION PLAN RESOLUTION. IN THE ABSENCE OF CONTRARY INSTRUCTIONS, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE FOR THE RENEWAL OF THE OPTION PLAN RESOLUTION. THE DISCRETIONARY AUTHORITY GRANTED BY THE ENCLOSED PROXY WILL BE USED BY MANAGEMENT TO APPROVE ANY AMENDMENTS TO THE ABOVE RESOLUTION ACCEPTABLE TO IT.

EXECUTIVE AND DIRECTOR COMPENSATION

The Corporation reports its financial results in United States Dollars. Unless otherwise indicated, in this executive compensation disclosure, \$ and US\$ means United States Dollars, CAD\$ means Canadian Dollars, GBP£ means British Pounds Sterling and EUR€ means Euro.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy

Our overall compensation philosophy is to provide a compensation package that enables us to attract, retain and motivate named executive officers to achieve our short-term and long-term business goals. Consistent with this philosophy, the following goals provide a framework for our named executive officers compensation program:

- Pay competitively to attract, retain, and motivate named executive officers;
- Relate total compensation for each named executive officer to overall performance of the corporation;
- Aggregate the elements of total compensation to reflect competitive market requirements and to address strategic business needs; and
- Align the interests of our named executive officers with those of our shareholders.

Oversight of Executive Compensation Program

The Board is responsible for determining all forms of compensation to be granted to the Executive Chairman of the Corporation and the directors, and for reviewing the Executive Chairman’s recommendations respecting compensation of the other senior executives of the Corporation, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its executive officers, the Board considers the following issues: i) recruiting and retaining executives critical to the success of the Corporation and the enhancement of shareholder value; ii) providing fair and competitive compensation; iii) balancing the interests of management and the Corporation’s shareholders; and iv) rewarding performance, both on an individual basis and with respect to operations in general.

In order to achieve these objectives, the compensation paid to the Corporation’s executive officers consists of a base salary and long-term incentives in the form of stock options.

Base Salary

The base salary currently paid to our named executive officers is commensurate with the nature of our business and their individual experience, duties and scope of responsibilities. In the future, we intend to pay competitive base salaries required to recruit and retain executives of the quality that we must employ to ensure our success.

In making determinations of salary levels for the named executive officers, the Board is likely to consider the entire compensation package for named executive officers, including the equity compensation provided under the Option Plan. Orsu Metals intends for salary levels to be consistent with competitive practices of comparable institutions and each executive’s level of responsibility. The Board is likely to determine the level of any salary (or salary increase) after reviewing the qualifications, experience, and performance of the particular executive officer and the nature of our business, the complexity of its activities, and the importance of the executive’s contribution to the success of the business through discussion only, with no formal objectives (performance or otherwise) or criteria.

The Board may also take into consideration salaries paid to others in similar positions in the Corporation's industry based on the experience of the Board and review of publicly available information. The discussion of the information and factors considered and given weight by the Board is not intended to be exhaustive, but it is believed to include all material factors considered by the Board. In reaching the determination to approve and recommend the current base salaries of Orsu Metals' named executive officers, the Board did not assign any relative or specific weight to the factors which were considered, and the members may have given a different weight to each factor.

The Board will review and adjust the base salaries of our executive officers when deemed appropriate.

We intend to pay competitive base salaries required to recruit and retain executives of the quality that we must employ to ensure our success.

Option-based awards

Executive officers of the Corporation, as well as directors, employees and consultants (together the "**Optionees**"), are eligible to participate in the Corporation's Option Plan (as previously defined and described herein at Part 3 – The Business of the Meeting – Approval of the renewal of the Stock Option Plan). Stock option grants are an important part of the Corporation's incentive strategy permitting executive officers to share in any appreciation of the market value of the Corporation's shares over a stated period of time, and it is intended to reinforce commitment to long-term growth and shareholder value. Stock options reward overall corporate performance, as measured through the price of the Corporation's shares, and enables executive officers to acquire a significant ownership position in the Corporation.

Management recommended the individual stock option allotments to the Board and the size of the grants are dependent on, among other things, each Optionees' level of responsibility, authority and importance to the Corporation and the degree to which such long-term contribution to the Corporation will be responsible for its long-term success. The Board also evaluate the number of options an Optionee has been granted, the exercise price of the options and the term remaining on those options when considering further grants.

The Board normally grants stock options to an executive officer when they first join the Corporation based on their level of responsibility. Additional grants may be made periodically to ensure that the number of options granted to any particular officer is commensurate with the officer's ongoing level of responsibility within the Corporation.

See "Outstanding Option-Based Awards" and "Incentive Plan Awards – Value vested or earned during the year" below, as well as Part 5 – Securities Authorized for Issuance under Equity Compensation Plans.

Benefits and Perquisites

Orsu Metals' named executive officers do not receive perquisites or benefits that are not generally available to all employees of Orsu Metals. All the Corporation's employees receive reimbursement for the use of personal vehicles for valid company business.

Risk Oversight

The Board is responsible for risk oversight and risk management in connection with the Corporation's compensation policies and practices. The Board has considered the risks relating to the compensation paid to the Corporation's executives, directors and other employees and has determined that the type and structure of the compensation does not present any risks that are reasonably likely to have a material adverse effect on the Corporation.

Directors and officers are prohibited from purchasing financial instruments (including prepaid variable forward contracts, equity swaps, and collars) that are designed to hedge or offset a decrease in the market value of the Corporation's equity securities that are granted as compensation or held, directly or indirectly, by a director or officer.

The Chair of the Audit Committee is responsible for ensuring that the committee operates in accordance with its charter and leads the meetings of that committee. The Executive Chairman is responsible for the strategic development of the Corporation, including developing the objectives and strategies of the Corporation and its subsidiaries, examining major capital expenditures, identifying and executing acquisitions and dispositions of projects, leading geographic diversification initiatives, identifying and executing new business opportunities, and ensuring the timely and accurate disclosure of information. The Executive Chairman reports to the Board and all major matters are approved by the Board at meetings or by way of written resolution. The Executive Chairman may also make recommendations to the Board relating to remuneration policy, executive remuneration and the employment terms of the senior executive officers of the Corporation and on the roles and competencies required of executive director nominees.

The Corporation has not developed a written position description for the Managing Director. The Managing Director reports to the Executive Chairman and the Board, and the Board responds to and, if it considers it to be appropriate, approves, with such revisions as it may require, corporate objectives and recommended courses of action, which have been brought forward by the Managing Director and management. The Board and the Managing Director review, on a regular basis, the scope and limits of management's responsibilities and powers.

The Board has delegated to management (including the Executive Chairman, the Managing Director, the Chief Financial Officer and the Corporate Secretary) responsibility for meeting the Corporation's objectives, implementing approved strategic and operating plans, generally managing the Corporation's day to day business and cash flows, evaluating new business opportunities and compliance with regulatory requirements as they apply to the Corporation. In addition, management is tasked with preparing and recommending long-term strategic objectives, annual operating plans and budgets. The responsibilities of a Chief Executive Officer are undertaken by the Executive Chairman and the Managing Director together, and decisions are generally made jointly, other than with respect to certain responsibilities that are within the sole responsibility of the particular executive officer. For example, in such capacity, the Executive Chairman is primarily responsible for the Corporation's strategic planning and the Managing Director is primarily responsible for the certification of the Corporation's financial reports.

Orientation and Continuing Education

The Corporation currently does not have in place a formal orientation and education program for new Board members. As new directors join the Board, management will provide these individuals with information about the Corporation, including its corporate plan and strategic direction, and an outline of the general duties and responsibilities entailed in carrying out their role as directors. Information about the Corporation's projects is available to Board members, who are also encouraged to visit the Corporation's project sites as appropriate. The members of the Board are experienced professionals in their respective areas of business and they receive regular updates at Board meetings regarding developments in the exploration and mining industry, the state of the Corporation's projects, and the political situation in the countries in which the Corporation operates. Each director shares his experiences in the areas in which he has strong professional knowledge and has unlimited access to the Corporation's executives to seek required clarifications regarding the technical aspects of operations of the Corporation's projects throughout the different stages of development and operation, as applicable.

Ethical Business Conduct

The Board has adopted a formal Code of Ethics and Business Principles for directors, officers and employees (the "Code"). A copy of the Code is available on SEDAR (www.sedar.com). The Board is responsible for safeguarding the Corporation's interests and assisting the Corporation's business development initiatives.

The Board does not formally monitor compliance with the Code. Management is expected to report any breaches of the Code to the Board. Additionally, the Code also provides a process by which actual or potential violations of its provisions are to be reported to the individual's manager or, if this is inappropriate, to the Corporation's legal counsel and confirms that there will not be any reprisals against an individual who does so in good faith.

All of the Corporation's employees, officers and directors are expected to comply with the Code.

When conflicts arise on the Board in respect of a proposed transaction, event or other matter, the interests of any director in such proposed transaction, event or matter are disclosed to the rest of the Board prior to any vote on the proposed transaction, event or matter.

Nomination of Directors

The Board considers the skills and attributes that would be required of a new director. Current directors and senior management are requested to advise the Executive Chairman of potential candidates. Once candidates are identified, the Executive Chairman, alone or with other directors, interviews the individuals and advises the Board the results of the interviews and makes a recommendation on a candidate to the Board for its approval.

The Board seeks to select well-qualified candidates with a diversity of background, experience and geographic location to maintain a well-balanced and highly competent group of directors with the ability to act together effectively. The Board is responsible for implementing orientation and education programs for new members of the Board and implementing procedures for assessing the effectiveness of the Board and its committees and for assessing the contribution of each of the Corporation's directors.

Committees

Given the size of the Board, the Board has no committees other than the Audit Committee.

Assessments

The Board is collectively responsible for assessing the effectiveness of the Board as a whole, the committees of the Board and the contribution of individual directors as it relates to the Board's mandate and the Corporation's goals.

The Board is also responsible for the examination of the size of the Board with a view to determining the impact of the number upon effectiveness and to undertake where appropriate, a program to reduce or enlarge the number of directors to a number which facilitates more effective decision-making.
